**Instructions to submit abstracts for poster presentations at**

RCN FORECAST Workshop: Representing Soil Carbon Dynamics in Global Land Models to Improve Future IPCC Assessments

(June 11-14, 2014, Breckenridge, CO)

We will support 10 graduate students and post-docs to give poster presentations at the workshop. Those who are interested in need to submit abstracts for review by the committee.

All abstracts must be submitted in English, the official language of the workshop and no more than 300 words.

The recommended format includes: 1) title; 2) authors' names; 3) authors' affiliations; 4) goals/objectives; 5) methods; 6) results and discussion.

A maximum of one table and one figure are permitted other than the text of 300 words.

Please name your abstracts as “RCNFORECAST 2014_Abstract_Name of first author”.

Please submit your abstracts to Dr. Lifen Jiang (lfjiang@ou.edu) before March 12, 2014 under the subject “RCNFORECAST 2014_Abstract” in your email.
